THE JOURNAL

The SPEAKER pro tempore. The unfinished business is the question on

agreeing to the Speaker's approval of the Journal, which the Chair will put de novo.

The question is on the Speaker's approval of the Journal.

Pursuant to clause 1, rule I, the Journal stands approved.

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, I yield to the majority leader, Mr. CANTOR, for the purpose of informing us of the schedule for the week to come.

Mr. CANTOR. Mr. Speaker, I thank the gentleman from Maryland, the Democratic whip, for yielding.

Mr. Speaker, on Monday, the House will meet at noon for morning-hour and 2 p.m. for legislative business. Votes will be postponed until 6:30 p.m. On Tuesday and Wednesday, the House will meet at 10 a.m. for morning-hour and noon for legislative business. Last votes of the week are expected Wednesday afternoon.

Mr. Speaker, the House will consider a few suspensions next week, a complete list of which will be announced by close of business Friday. In addition, the House will consider two bipartisan bills from the Financial Services Committee: H.R. 992, the Swaps Regulatory Improvement Act, authored by Representative RANDY HULTGREN; and H.R. 2374, the Retail Investment Protection Act, sponsored by Representative ANN WAGNER.

Mr. HOYER. I thank the gentleman, and I appreciate that information.

I would simply observe, Mr. Speaker, and then I will have a couple of questions of the majority leader, but last week we did something that was, I think, critically important, and we did it in a bipartisan fashion: we made sure that the government was open, and we made sure that America pays its bills.

Today, in an overwhelming bipartisan fashion, we passed the Water Resources Reform and Development Act, which will, as I heard the majority leader saying and I said as well, be helpful in growing our economy, growing jobs, and investing in America's growth.

I would simply observe that there are other things, Mr. Speaker, that I think we can act on in a bipartisan fashion as well and be successful in seeing enacted, which would make a real difference on behalf of our country.

I would therefore, Mr. Speaker, ask the majority leader whether or not there is any thought about bringing to the floor before the end of the year the immigration bill, and I will yield to my friend for the purpose of a response.

Mr. CANTOR. Mr. Speaker, I thank the gentleman for yielding, and would respond by saying that I think the gentleman knows that both the Speaker and I have said that we are not going to consider the Senate bill because we object to the Senate bill, although we
